

Northwind Freight

Delivery confirmation — order 48291

6 September 2026

To: operations desk, Duisburg terminal.

The shipment left Busan on 4 September and is booked on the 11 September rail window.

This is a flow document: one convert, three hashes, no GPU. Run it twice with the same fonts and the PDF/A bytes match.

Hop	File	Proof
Input	letter.md	input SHA-256
Plan	layout i32 @ 1/7200 in	plan SHA-256
Output	PDF/A · HTML · ODT	output SHA-256

Please confirm the receiving dock before 09:00 local. The capsule travels with the files so an agent can replay the convert instead of hoping.
